Dear Eric:

May I ask whether you would consider participating in the 80th Anniversary Convention of the American Numismatic Association to be held in Washington in August? The attached form is self-explanatory.

I would not presume to suggest any particular themes but the Bank of the United States; banknote sample sheets; Early Colonial bills come to mind.

With kindest regards from both of us.

Very sincerely yours,

V. Clain-Stefanelli

Dear Val:

The reason it is impractical for us to have an exhibit at the Washington convention of the American Numismatic Association, is that we will be anonymously furnishing items for one of the noncompetitive exhibits. We certainly appreciate being asked to exhibit competitively.

I hope to see you at the convention.

Kindest personal regards to you and your wife.

80th ANNIVERSARY CONVENTION

August 10-14, 1971

Washington-Hilton Hotel

Washington, D.C.

INVITATION TO EXHIBIT NUMISMATIC MATERIAL

The American Numismatic Association, in keeping with tradition, will provide for a Numismatic Exhibit at the 80th Anniversary Convention to be held in Washington, D.C. August 10-14, 1971. All of its members are invited to participate as exhibitors. They must agree to comply with the following rules and conditions:

EXHIBIT RULES AND CONDITIONS

1. The Numismatic Exhibit and Exhibit Program will be under the control and direction of the American Numismatic Association which reserves to itself the right to reject any exhibit at any time. Exhibits will be accepted only upon receipt of the hereto attached application form properly filled in and submitted to the Exhibit Chairman of the Convention at Washington, D.C. either in person or by mail.

2. Exhibits will be divided into three (3) groups as follows:

A. Competitive Exhibits, limited to members of the American Numismatic Association.

B. Non-Competitive Exhibits, limited to members of the American Numismatic Association and to those invited to exhibit by the General Chairman of the convention.

C. Competitive Junior Exhibits, limited to junior members of the American Numismatic Association. Junior members may exhibit in Group A or Group B.

Each of the above groups will be kept in separate exhibit areas. No exhibit entered under one group may be displayed with an exhibit in another group. No single exhibit may be entered in more than one group. No single exhibitor may enter more than one (1) exhibit in Group A - Competitive Exhibits. Exhibitors in Group B who are specifically invited to exhibit by the General Chairman of the convention MAY NOT exhibit in Group A. Each exhibitor must designate on the application the group in which his exhibit will be entered.

The Exhibit Chairman, in conference with the exhibitor, may transfer an exhibit from one classification to another before judging IF it appears that the exhibitor has not entered his exhibit in the proper class. A small amount of related material is allowed to present numismatic information to the viewer without changing the classification of the exhibit to a general one.

Officers of the American Numismatic Association, the General Chairman, Co-Chairman, and Committee Chairmen of the convention shall not be allowed to enter exhibits in Group A. Best-of-Show winners at previous ANA conventions may not enter an exhibit in Group A in the same classification in which they have won. Exhibitors are urged to exhibit new displays of their best efforts rather than a display that has been shown year after year.

3. Applications for exhibit space should reach the Exhibit Chairman, Dr. V. Clain-Stefanelli, Smithsonian Institution, Washington, D.C. 20560, not later than July 20, 1971. All applications received by that date will be given space and cases in the order received so long as space and cases are available. Applications received after July 20th will be given space in the order received ONLY if unassigned space remains and cases are available. Phone-202-381-5026.

4. Any material known to be legitimate copy or replica must be so labeled. Any material known to be forged, spurious, or counterfeit cannot be displayed unless the exhibit is labeled and titled as an exhibit of forgeries and displayed under Group B for educational purposes. Exhibitors shall not violate the Domestic Gold and Silver Act or any other U.S. Treasury Department regulation.

5. No advertising in any form will be permitted with any exhibit.

6. No exhibited material may be removed from an exhibit for disposal during the exhibit period ending at 4:00 P.M., Saturday, August 14, 1971.

7. Exhibit cases will be loaned to exhibitors for use at this convention upon receipt of application in which required number of cases is stated. No competitive exhibit will be allowed more than five (5) cases. If the exhibitor uses his own cases in the competitive Group A, they cannot occupy more than the overall area of the official ANA exhibit cases measured either horizontally or vertically (13 linear feet maximum). Non-competitive exhibits (Group B) will be subject to such space limitations as the Exhibit Chairman deems appropriate. ANA exhibit cases are 17-3/4" x 29-3/4" x 1-3/4" bordered with gray metal.

8. Exhibit rooms will be open for the placement of exhibits from 10:00 A.M. through 9:00 P.M. Monday, August 9, 1971, and from 9:00 A.M. through 4:00 P.M. Tuesday, August 10, 1971. All competitive Exhibits (Group A or C) must be in place before 4:00 P.M. Tuesday, August 10, 1971. Exhibits may not be removed from exhibit cases before 4 P.M. Saturday, August 14, 1971.

In case of emergency, special permission may be granted by the Exhibit Chairman to remove an exhibit before final closing time, but such request must be in writing.

Exhibit rooms will be open to the public from 11:00 A.M. until 9:00 P.M. on Tuesday, August 10, 1971; from 10:00 A.M. until 9:00 P.M. on Wednesday, August 11 through Friday, August 13, 1971; and from 10:00 A.M. until 4:00 P.M. on Saturday, August 14, 1971.

9. The name or identity of any competitive exhibitor shall not appear on the exhibit. The Exhibit Chairman shall keep a full and complete record of all exhibits, showing the name of each exhibitor, and the number of the exhibit. Names of competitive exhibitors shall not be disclosed until the judges have completed judging and making their reports to the Head Judge who shall then be given the names of those exhibitors to whom awards are due. Competitive exhibitors will not be permitted to attend their exhibits during the judging.

10. All exhibited material shown must be the bona fide property of the exhibitor.

11. A small exhibit identification card showing the number of exhibitor, number of cases, group and classification in which the exhibit is entered will be placed in the first exhibit case to the left. These will be uniformly placed and plainly visible. Each exhibit case will be locked by the Exhibit Chairman or his assistant in the presence of the exhibitor. The keys will be kept by the Exhibit Chairman until the exhibit is removed by the exhibitor.

12. The judges shall have the right to take any material from an exhibit case for the purpose of closer examination. However, this must be done in the presence of the Exhibit Chairman and exhibitor, or with his written consent in the event he cannot be present.

13. Awards for exhibits will be made by the American Numismatic Association in accordance with the procedures approved by its Board of Governors. A Head Judge will be appointed by the president of the American Numismatic Association, who in turn will select competent judges for all classes of exhibits. First, second, and third place awards shall be given exhibit winners. However, the judges have the authority to withhold any of such awards in any classification where exhibits are deemed insufficient or unworthy of an award. Exhibits must earn at least 65 scoring points by the judges to merit 3rd place awards. Only first place award winners in any classification will be eligible for the Howland Wood Best-in-Show Award.

- A. All exhibitors, including non-competitive, will receive a suitable medal or plaque for their participation. Except for Howland Wood Award and the Group C Best Junior Award, each exhibitor will receive not more than one award.

14. Police protection will be provided for the exhibits during the convention beginning at 10:00 A.M. Monday August 9, 1971, and ending at 5:30 P.M. on Saturday, August 14, 1971. After this time, exhibitors may use the Security Room until 10:00 A.M. Monday, August 16, 1971. In consideration of providing exhibit space, the liability, if any, of the American Numismatic Association, the host club, the elected and appointed officers and other representatives of each of them, all committee chairmen and all committee members shall be limited to the aggregate sum of \$25.00 for loss, theft, damage and/or destruction (through negligence or otherwise) of all numismatic items and other items displayed by an individual exhibitor; however, the foregoing provision shall not limit the liability of any individual who may personally be guilty of theft, willful damage or destruction of exhibit material.

15. Pursuant to authority from the Board of Governors, the following point score system will be used for judging exhibits in Groups A and C:

<u>EXHIBIT ASPECT</u>	<u>MAXIMUM POINTS</u>
(1) <u>Numismatic Information</u> (Measured in terms of educational value to the viewer).....	35
(2) <u>Arrangement and Originality</u> (Manner of presentation, neatness, and eye appeal).....	30
(3) <u>Completeness</u> (Range, scope, and variety of coverage shown by the exhibited material as it relates to the exhibit title - avoid broad, all encompassing titles - be specific).....	15
(4) <u>Condition</u> (Quality of exhibited material compared to highest known quality of like material).....	10
(5) <u>Rarity</u> (Related only to the exhibited material and is in no manner related to price).....	10
TOTAL MAXIMUM POINTS	100

Judges and exhibitors shall be furnished a Guideline to aid in exhibiting and judging these points. Exhibitors will accept the judges' decisions as final and binding.

16. The Head Judge will submit final point scores for all competitive exhibits to the Exhibit Chairman at the close of the judging. Any exhibitor may obtain his final point scores for his own exhibit from the Head Judge or the Exhibit Chairman.

Exhibitors, Judges, and Exhibit Chairman will strictly adhere to the rules and conditions set forth in this application.

Dear Eric,

Please excuse this form letter. I am sure that you realize the work it saves my secretary. I assure you that the invitation is personal.

We would like for you to serve as an exhibit judge at the 1971 ANA Convention. If you will serve, please fill out the enclosed sheet and return at your earliest convenience. We also would appreciate your filling out the bottom section if you will not be available to judge.

You will be contacted again with more details if you agree to serve. It is very important that we have enough qualified judges confirmed prior to our meeting. The exhibitors work hard on their exhibits and deserve qualified judges.

Sincerely yours,

Roy
